

ROCKFORD SPINE CENTER

Top 5 Reasons to Choose RSC

1. Surgical Outcomes

Ranked #1 in Illinois and top 10 percent nationwide.

2. Patient Safety

Created a new method to reduce post-surgical infections from national average of 2.4 percent to 0.2 percent.

3. New Procedures

Devised a new technique to straighten the spine that puts less stress on the patient.

4. Minimally Invasive

Offering minimally invasive procedures that allow patients to go home the same day.

5. World class spinal care, right here in Rockford

We give patients their lives back!

Dr. Michael Roh

Dr. Fred Sweet

Dr. Marie Walker

Dr. Christopher Sliva

"I feel like a new person. I feel 30 years younger than I did before the surgery. My husband says he got his wife back. I think I got my life back."

- Bonnie, Rockford, IL
