Rockford Spine Center Surgeons Awarded Vitals Top Ten Doctors *Doctors receive nearly perfect scores from patients*

Rockford, IL (June 8, 2015) - Rockford Spine Center is pleased to announce Spine Surgeons Dr. Michael Roh, Dr. Christopher Sliva and Dr. Fred Sweet have each been awarded the prestigious Vitals Top Ten Doctors awards for City and State for 2014. In addition, Dr. Marie Walker, Physiatrist, was awarded Top Ten Doctor for State for 2014. Of all the nation's providers, only 1% were awarded with this honor by their patients in 2014.

Every year, hundreds of thousands of patients provide feedback about their doctor experiences through Vitals, a comprehensive online search and informational tool for patients seeking doctors. Patients are able to write about their experience and rate their doctor on several components of care, including bedside manner, doctor-patient face time, and degree of follow-up. Patients also provide an overall rating. Vitals analyzes the patient feedback and ratings to identify those physicians within a certain specialty and location who are rated the highest by their patients and stand out for their extraordinary care.

The surgeons at Rockford Spine Center take great pride in the relationships they build through caring for their patients as well as the level of service they provide to their patients to help them get back to their active lifestyles. The doctors are very grateful for the positive ratings they have received to earn this honor.
